

Professional PLANNER

EARN 0.75 CE/CPD HOURS FOR READING THIS GUIDE

Conexus is pleased to confirm that the Professional Planner Megatrends Guide 2026 (Sep 2026) has been accredited for a maximum of 0.75 Continuing Education (CE/CPD) hours by Portfolio Construction Forum, the specialist, independent, investment continuing education, accreditation and certification service.

While the CE/CPD hours are confirmed, they will not formally vest in your name until you have completed the Forum's CE quiz for this learning activity – available at the link below. This is part of the best-practice compliance program that Conexus has adopted to manage CE/CPD obligations in today's higher compliance environment.

As soon as you successfully complete the CE quiz – available at the link below – you'll receive an email from Portfolio Construction Forum. It will contain a link to immediately access your CE/CPD certificate via your complimentary Forum MyCE record on the Forum's .edu.au online learning platform (which records any CE/CPD hours you earn from the Forum's CE Affiliates and the Forum's face-to-face and online programs) so you can:

- see the knowledge/competency areas; and,
- view, print and export your CE accreditation any time.

These CE/CPD hour(s) can be used to help you meet the CE/CPD requirements of 20 governing bodies (regulators, associations, and institutes) – including ASIC, APRA, Legislated (AU)/FAAA and FMA CE/CPD requirements, to name just a few.

Please now click on the following link to complete the CE Quiz provided by Portfolio Construction Forum for this learning activity:
